

June 2018

## REBEKAH

### JUNIOR SOLAR SPRINT ALUMNI

I am in the eighth grade this year.

I hope to get high grades in school and be a nurse after I graduate.

## WORDS OF ADVICE

Try it! It is the best thing that you can try. It will help and inspire you because it is fun and enjoyable.

## BEST THINGS ABOUT THE PROGRAM

The problem-solving and simple machines.

## HOW PARTICIPATING IN AEOP INSPIRED YOU TO ADVANCE IN STEM

I was inspired to spend more time problem-solving like I did in JSS.

## WHO IS YOUR FAVORITE STEM ROLE MODEL?

Stewart Wood. He does a lot of STEM activities and has always inspired me to be in programs I might not have tried before.

## WHAT ARE YOUR FUTURE HOPES AND DREAMS?

To be a doctor or nurse in the Army and help troops get better.

Try it!  
It is the best thing that you can try.
