

2018 GUIDE TO STEM CAREERS

The Army has it all — top science and engineering talent, world class research facilities and vital, real-world research opportunities. The **Army Educational Outreach Program (AEOP)** connects students with hands-on STEM educational opportunities through every phase of their education and at no cost to participants. **AEOP** is committed to delivering resources and programs that empower educators and inspire students. Participating in an **AEOP** program will set you on a path to success.

It's never too early or even too late to consider all of the opportunities awaiting you in STEM fields. Learn more about how you can be a part of the next generation of STEM innovators at www.usaeop.com.
