I am 9 years old and I am going to the fourth grade.

WORDS OF ADVICE

You are going to have fun and make new friends. Camp may take some time to get use to, but you are going to learn a lot and it's fun.

BEST THINGS ABOUT THE PROGRAM

The best thing was robotics and learning about robots and science.

HOW PARTICIPATING IN AEOP INSPIRED YOU TO ADVANCE IN STEM

It inspired me to learn more about science and robots. The camp showed me how entertaining and fun robots and science can be.

WHO IS YOUR FAVORITE STEM ROLE MODEL?

My teachers, Ms. T and Ms. Rosenthal are my favorite because they were helpful and put a lot of effort in to teaching us.

WHAT ARE YOUR FUTURE HOPES AND DREAMS?

I want to become a trauma surgeon and help heal sick people.

WHO WOULD YOU MEET IF YOU COULD CHOOSE ONE PERSON LIVING OR DEAD?

Tyler Joseph from Twenty One Pilots. He makes great music and because of him I want to learn how to play the drums. Their music keeps me positive.
