YMARIS

CAMP INVENTION ALUMNI

I'm am a current 6th grader and Science is my favorite class.

WORDS OF ADVICE

I think you should for sure enroll in an AEOP program. It's quite memorable and challenging.

BEST THINGS ABOUT THE PROGRAM

All the activities here at camp innovation are educational and enjoyable for both student and mentor.

HOW PARTICIPATING IN AEOP INSPIRED YOU TO ADVANCE IN STEM

All the things I've done here are very enjoyable and challenging, which has inspired me to proceed on to the stem field.

WHO IS YOUR FAVORITE STEM ROLE MODEL?

Thomas Edison, he invented so many things that this world didn't know it needed.

WHAT ARE YOUR FUTURE HOPES AND DREAMS?

When I become older, I hope to be a well known musician, and college professor.

WHO WOULD YOU MEET IF YOU COULD CHOOSE ONE PERSON LIVING OR DEAD?

Scott Joplin, I'm a big fan of his work and he inspires me to continue practicing music. Over all he seems like an interesting person, who I'd like to meet.
