## KAVYA

### JSHS and Camp Invention

I am a high school sophomore, futurist, and researcher with a deep passion for the intersection of artificial intelligence, healthcare, and business!

## ANY WORDS OF ADVICE FOR FUTURE AEOP PARTICIPANTS?

To all future AEOP participants, I encourage you to maximize every opportunity by being curious. Asking questions is the best way to step out of your comfort zone and explore your interests.

## WHAT ARE YOUR FUTURE HOPES AND DREAMS?

I would like to pursue an M.D./MBA dual-degree program to bridge my passions for computer science, medicine, and social entrepreneurship.

## HOW PARTICIPATING IN AEOP INSPIRED YOU TO ADVANCE IN STEM

AEOP empowers me to be the best version of myself. Whether it is interacting with STEM professionals to guiding young students in my community, I can grow as a student leader and lifelong learner.

## WHO IS YOUR FAVORITE STEM ROLE MODEL? WHY?

I look up to all the female pioneers in the STEM field. Their impact empowers me to channel my confidence and passion into a meaningful purpose.

## WHAT IS YOUR PASSION OR HOBBY OUTSIDE OF STEM?

My passions outside of STEM include writing and music.

## WHAT IS SOMETHING INTERESTING YOU WOULD LIKE FOR EVERYONE TO KNOW ABOUT YOU?

Being able to uplift and mentor younger students in my community has been the most rewarding part of my experience as a leader in STEM.
